Subject: NCSBE Test Preparation Collaborative Survey - Invitation to edit

Tammi Ward has invited you to **edit** the following form:

NCSBE Test Preparation Collaborative Survey

Below is the revised survey based on feedback from last month's meeting. In a separate email I will send the spreadsheet after completing the survey and what the results would look like.

I will not be able to attend tomorrow's meeting. Send me any feedback and I will be available in my office by phone after 2:30.
